RAW PROCESSING SERVICES

- ☒ **Basic \$.30 per image** - Allow us to convert your files from RAW to JPG TIFF or DNG while correcting them to the stunning color you have come to expect from our experienced color specialists at Miller's.

- ☐ **Image Sorting \$.10 per image** - This is the process of removing images from an event leaving only the most desirable images to show your clients.

Number of images you would like to keep

Image Rename

Once Image Sorting is complete we will rename your images in sequential order.

Please provide the naming convention you would like us to use for the rename. i.e. Jones0001.jpg

- ☐ **Premium \$.70 per image** - This service includes cropping, straightening, vignettes and color preference input from you.

- ☐ **Cropping** - Images will be cropped to the ratio of your choice. ☐ **Vignettes** - Edges of all your images will be burned

- ☐ **Straightening** - We will adjust so that horizon lines are parallel in the files. ☐ **Black and White** - You will receive both color and B&W
